

A 21st CENTURY COMMUNITY LEARNING CENTER

A partnership of Project Self-Sufficiency & Newton Public Schools

This project was funded in its entirety with federal Elementary and Secondary Education Act, Title IV, Part B, 21st Century Community Learning Center (21st CCLC) grant funds through a grant agreement with the New Jersey Department of Education.

October 23, 2015

Dear Parent/Guardian:

Project Self-Sufficiency, in partnership with the Newton School District, is once again delighted to offer the Project Launch Newton afterschool enrichment program to your family. We're off to a great start! We are really enjoying getting to know and work with your children and we are looking forward to our upcoming trips: The Intrepid for our 4th graders and The Bronx Zoo for middle schoolers!

As a nonprofit organization which is partnering with a public school to provide the services of Project Launch Newton, Project Self-Sufficiency is required by the State of New Jersey to comply with all state childcare licensing requirements and regulations. For this reason, it is very important that we have signed copies of the attached documents on file for every family in Project Launch Newton.

We ask that you complete and return the attached forms to Project Self-Sufficiency no later than Friday, October 30th.

Signed and completed forms may be turned in to your Project Launch Newton Site Coordinator: Judy Kiddoo at Merriam Avenue School and Kyersten Rozanski at Halsted Middle School. You may also mail your forms to Project Self-Sufficiency at 127 Mill Street, Newton, NJ 07860 or scan and e-mail to pln@projectselfsufficiency.org **It is very important that all families turn in their completed forms by October 30th. All required documentation must be submitted to allow your child to continue his or her participation in Project Launch.**

Thank you in advance for your help in making sure that Project Launch Newton continues to provide a valuable service to families in the Newton School District. We look forward to many fun and educational experiences with our wonderful students and families throughout the 2015/2016 school year.

Sincerely,

Deborah Berry-Toon, MSW
Executive Director
